In the September issue of *Making Waves* a gift between \$1000 & \$2499 was mistakenly credited to Blackwater USA. This gift was not a corporate donation but was given by an individual who is an employee of Blackwater. The individual's employer has no impact on Surfrider Foundation's decision to accept the gift. Donations by individuals are not subject to scrutiny on any factors (age, gender, race, employment, etc). We apologize for the mistake.
